First Reading: "I am the way and the truth and the life," Jesus says to his disciples in the passage from John we hear today. He is the foundation on which we build our lives, the cornerstone of our spiritual home. As we continue to celebrate this Easter season, let us listen to God's word and discern the way, the truth, and the life that Jesus reveals to us.

Note: Father Dick will continue to celebrate private masses for all members of the parish and especially those persons listed as intentions each weekday except on Monday. He will also celebrate a private mass on Saturday and one on Sunday. No congregation will be present at these Masses. The doors to St. Andrew will remain open for you to stop in to say a prayer. During this time, the church bills still need to be paid and so we will need a steady stream of revenue (donations) during this difficult time. Arrangements have been made to drop off your church donation envelopes at Peoples State Bank, Tennyson Potosi Community Bank, and Leibfried Feed if you feel comfortable in doing so. You could also make donations through our Online Giving Program. If you need help with this option, please contact Aleise Oyen at (608) 763-2735. You can also mail your donations to the rectory at 101 Church St., Potosi, WI 53820. We will continue to provide a weekly bulletin. We will print a small number of bulletins each week that will be available at St. Andrew to be picked up. Bulletins will also continue to be posted online at www.ss-andrew-thomas.org. Per the Diocese of Madison, private masses will continue with no public attendance until further notice. Remember God loves you more than you can ever know or imagine!

HAPPY MOTHER'S DAY

Mother's Day Message:

There's no love like a mother's. Her heart is filled with care. With Christ as her example, her Savior's love she'll share. A mother's love is endless, not changing for all time. When needed by her children, a mother's love will shine. God bless these special mothers, God bless them every one. For all their tears and heartaches, and special work they've done. When days on earth are over, a mother's love lives on, through many generations, God's blessings on each one. Be thankful for our mothers, who love with higher love, from power God has given, and strength from up above.

Happy Mother's Day from Fr. Dick
