

For those of you who are using Online Giving, you will see a different screen when logging in to the site. Your login will now be your email address (if you are not already using that). Your password will remain the same. I am working through these changes, so please be patient as I learn the new design as well.

When you sign in on your home page you will now see your Giving by Fund, Upcoming Gifts, & Transaction History all which is located to the left of your name. The list of other information includes:

- Funds you can donate to;
- Your account information: showing tax statements you can print yourself, and your wallet which shows how you are making your payments (check, credit card etc.);
- Your Gifts: showing upcoming gifts you have designated, and your transaction history listing all payments you have made so far;
- Your Forms: I am still checking into what this is;
- Switch Organizations: You can use this if you want to donate to another parish.
- Sign Out: Exit Online Giving

The Online Giving process is even easier now with this change. If you have not signed up for Online Giving, it would be a great time to do so!

Any questions, please call me at 763-2735.

Thank you!

Aleise
