Throughout history Jesus Christ has been acknowledged as King. Even before he was born to Mary, Daniel prophesied that one like a Son of man would come from heaven to earth and be regarded as King and Lord. The author of Revelation calls him the faithful witness of the kingdom. In the Gospel we hear him witness to the kingdom in front of Pilate. That scene gives us an insight into his kingship, which is anchored in the truth, and to which he testified during his entire time on earth. Let us open our hearts to the truth, which continues to be revealed by Christ the King.

Inclement Weather: If school is cancelled during the week due to weather, masses for that day will also be cancelled at school and church.
